

# LEUKEMIA CUP REGATTA

The Leukemia Cup Regatta started at Birmingham Sailing Club in back 1988. We plan to continue supporting the cause for the Leukemia and Lymphoma Society Saturday, September 18<sup>th</sup>. Your entry fee (\$65.00) is treated as a contribution to the LLS and you are encouraged to “round” that amount up when you are at the registration table Saturday morning. If you are not sailing and plan to attend the dinner, we will ask for a donation for dinners.

We plan to provide a full day of racing with (2) races in the morning followed by (3) more races in the afternoon. Happy hour with snacks and beverages will be followed up with awards and grilled hotdogs to finish the day. Please register using this link... [Leukemia Cup 2021 Registration](#)
