

# WNFRS RC Guidelines

Use Mark 1 for RC boat or any boat you are comfortable with.

Make sure you have:

- Anchor
- Whistle
- Bull Horn (in locker on RC1)
- Notepad and pencil to record names of participants (no scoring on finishes)
- One (1) yellow tetrahedron with anchor bucket for start line (fill with air)
- One (1) orange tetrahedron with anchor bucket for weather mark (fill with air)

Flags:

- Get flags off RC2 (extra pontoon boat) in storage locker
- Orange start line flag
- Yellow Warning flag
- Blue and white P (preparatory) flag

## Course – AX

- Length should be set for about 15 min for one lap

Wind

75'-100'

17' Whaler (Mark 1)

## Start Sequence

Give everyone a warning whistle or hail on bullhorn that you are about to start

- 3 Min – 3 Long Whistles | Yellow Flag UP
- 2 Min – 2 Long Whistles | P Flag UP
- 1 Min – 1 Long Whistle | P Flag DOWN
- 30 sec – 3 short whistles
- 20 sec – 2 short whistles
- 10 sec countdown – 1 short whistle per sec (or call it out) | Yellow Flag Down

Begin when first boat(s) arrive at start area.

Begin next sequence only about 5 minutes after last boat finishes)(may not need to wait on Optis)

**KEEP IT SAFE, FUN, and EASY!!**
