

Fall 2021 Learn to Sail Opportunities

Have you had a life-long dream to try your hand at sailing, or maybe you sailed years ago and want to get back into the sport? *Birmingham Sailing Club can make that happen!*

Wednesday Night Races

Our Wednesday Night Races offer an opportunity to spend an evening aboard a Flying Scot, or Thistle and “round the marks” in a just-for-fun regatta. You will experience real-time reaching and running with an experienced skipper who will explain the science and art that is sailing. Check BSC’s [homepage](#) for dates.

Races happen most Wednesday evenings at 5 p.m. weather permitting. If you wish to hop aboard a boat, please follow [this link](#) to BSC’s Education Contact page and put *Wednesday Night Race Inquiry* in the comment section. A BSC member will be in contact inviting you aboard and making date and time arrangements.

Learn to Sail

Our Adult Learn to Sail course is designed with the goal of providing participants the hands-on experience needed to sail a small boat on a fair-weather day. You will have sixteen hours with experienced skippers and US Sailing trained club members showing you the fundamentals of sailing, in addition you will have time sailing a club-owned 420 sailboat.

The next Learn to Sail (LTS) class will be held the weekend of September 11th and 12th, 2021 (with a rain date of Oct. 9th and 10th). The class will run both Saturday and Sunday from 9 a.m. to 5 p.m. with mornings beginning in the classroom and afternoons spent on the water. Do note, this experience will include a capsized drill and participants will be in the water! You must bring a life jacket and you must be able to swim. Snacks will be provided, but you will need to bring a lunch and refillable water bottle each day. The cost of the course is \$250.00 for the weekend.
